**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have sonic internet service and they provide speeds that are 10x the speed at a fraction of the cost of their competitors. This is what happens when we have free competition in the market. Please don't make it so that the big internet providers are my only choice. I don't want my bill to go up. I don't want slower speeds. I came from charter and I have such a better connection, it would be a shame for this not to be available to all.
